---

### NOTE TO APPLICANT

- 1 A site plan showing location on property shall be furnished with the application.
- 2 Pool shall be fenced with a permanent fence or wall not less than six (6) feet in height. Gates to said pool enclosure shall be kept securely locked at all times.
- 3 Failure to call for final inspection within sixty (60) days of permit issuance will require re-inspection fee of \$10.00.

I certify the real property records have been researched and to the best of my knowledge and belief the pool and its appurtenances are not being located on or in a restrictive easement.
